FISCAL MANAGEMENT

Funding Channel

The consortium has designated a fiscal agent

Rationale

The Antelope Valley Union High School District will serve as the fiscal agent for the consortium. They will receive and distribute the funds according to the procedures and priorities established by the consortium members. This process was agreed to by all members during the planning process. This arrangement has also been agreed to by all members for the implementation phase of this project.

Approach

Individual members have the ability to apply for funding for programs they feel will meet the mission of the consortium. Once approved, they receive funding for the programs and are in turn responsible to manage the funds and report grant expenditures to the fiscal agent. The fiscal agent will file a final report to the State covering all expenditures.
