## FISCAL MANAGEMENT

### Funding Channel

The consortium has designated a fiscal agent

### Rationale

At the inception of forming our consortium it was decided through consensus that Mt San Jacinto Community College District (MSJCCD) would serve as fiscal agent. A review of their fiscal procedures and processes would best serve the consortium with distributing funds to our members upon consortia approval.

### Approach

Fiscally managing through review of quarterly expenditures for grant allowability, compliance and consistency with work plan objectives and activities, ensuring that expenditure correspond to effectively meet performance measures. Rolling up grant expenditures by compiling quarterly expenditure reports submitted by member districts that are categorized by object series, which is how grant expenditures must be reported to the Chancellor's office. narrative on reports allow for review of how expenditures relate to activities and objective of the grant and performance of the grant overall..
