Fiscal Management

Funding Channel

AB104 legislation states that each Consortia may decide to designate a fiscal administrator to receive and distribute AEBG funds. If a member agency is chosen to be the fund administrator, the member shall commit to developing a process to apportion funds to each member of the consortium pursuant to the consortium's adult education plan within 45 days of receiving funds appropriated for the program. This process shall not require a consortium member to be funded on a reimbursement basis.

Please select the option that best describes how funding should be disseminated to your Consortium from the state.

- The consortium has designated a fiscal agent
- The consortium has chosen direct funding

Fiscal Agent

State Center Community College District

Rationale

Provide details regarding the rationale for your fiscal structure decision. How did you arrive at the decision? What were the overwhelming benefits to using this structure?

Fiscal Agent structure, administered by State Center Community College District, has been successful to date and has been managed under a fiscal agent model approved unanimously by the SCAEC Board. The fiscal agent model has provided greater cohesion among the Consortium members.

Fiscal Management Approach

Whether using a fiscal agent or direct funding model, describe how you are fiscally managing your block grant. How are you rolling up grant expenditures to report to the State?

The Executive Director of the State Center Adult Education Consortium manages the submission of grant expenditures and reporting to the State.

Allocation Changes

Please describe any significant changes in allocations to members made for the 2015-16 and / or 2016-17 program years.

Washington Unified School District was added and given an allocation of \$40,326 for FY 17/18. In fiscal year 15/16, members that show an increase in funding is due to an RFA process by our consortium known as regionally enhanced

services. The RFA process was eliminated in fiscal years 16/17 and 17/18.

Consensus and Approval

Describe how you arrived at consensus and approval of the allocations provided in the table above.

Distribution of both 2015-16 and 2016-17 AEBG funds were determined by the SCAEC Board in accordance with Section 84913 of AB104. Additional funding for 2016-17 and 2017-18 will be determined by the SCAEC Board in accordance with publicly noticed meetings.
